

# NEWSLETTER OF THE NIAGARA FRONTIER CONFERENCE OF C.A.S.A.

Hello everyone! Planning is underway for our annual Holiday meeting. This year it is going to be held in downtown Buffalo at Chef's Restaurant. See this newsletter for more complete details. Hope to see everyone there as this has always been or most well attended (and lively) meeting of the year.

We will have an Executive Board meeting prior to the start of our Holiday Meeting. I hope to finalize the by-law amendments that Blake Ireland was working on, if it is not too late, set meeting dates for 2007 and come up with some ideas for topics, venues or perhaps some training opportunities that may present themselves. All Executive Board members are asked to try and make the meeting at 10:45 AM. We will be having this meeting at Chef's to limit the travel. We need input from as many people as possible to help make this conference a viable and productive entity, serving the goals of the national charter and the needs of the local members.

As another year is drawing to a close, I can't help but reflect on the events that have transpired here in NFC CASA during the past 12 months. Our conference in Gettysburg was well attended and well thought and planned out. I think everyone that had the opportunity to attend got a lot out of the meeting. Bev Kent was the worthy recipient of the CASA Award. We had some retirements and other personnel changes. We had to endure the worst October snowstorm on record in Buffalo that has altered our landscape and will change the look of our area for decades to come. I hope all of our members affected by this have come through this ordeal and have things back on the "straight and narrow". I'd also like to take this opportunity to thank all those people that helped plan our meetings this year, including obtaining speakers, selecting venues and helping to put on the Juice HACCP workshop which we put on in May at Geneva.

Finally, I'd like to wish you all a Happy and Healthy Holiday Season. The older I get, the more I realize I'm thankful for the healthy part! See you all in December!

Dan
