

NIAGARA FRONTIER CONFERENCE

SPRING 2010 TRAINING & MEETING

Come join us at the Spring 2010 NFC educational meeting!

WHAT

A tour of the Taps Brewing Company facility by a Taps brewmaster or other Taps team member including information on the brewing process, history of the brewery, and more. Join us for lunch on site after the tour/information session, followed by a presentation by CFIA's Brett Wales on inspection protocols and good manufacturing practices in the beverage industry.
