

SUSQUEHANNA CONFERENCE OF CASA QUARTERLY TRAINING MEETING
WEDNESDAY, February 28, 2007, 8:30 AM – 3:30 PM
Giant Super Food Store, 3301 Trindle Road, Camp Hill, PA
(717) 724-1166

Program topics and speakers:

Garey Walker, Director of Food Safety, Giant Food Stores

Welcome. Overview of the functioning of a retail food store and the Giant food safety program.

The Giant Foods nutritionist and Director of Health and Wellness will discuss the nutrition program and organic products.

Gregory Lux, Manager of Food Safety & Regulatory Affairs, Giant Food Stores
Giant's Case Cleaning Program

William Chirdon, Director, Bureau of Food Safety and Laboratory Services, PA Department of Agriculture
Overview presentation by the new Director of the Bureau. Directions for the future, program guidance, and status of legislative and regulatory affairs

Dr. Andre' Weltman, Epidemiologist, PA Department of Health
Overview of e.coli outbreak associated with spinach.

Peter Gabriele, Technical Director, International Document Solutions: Adhesives Research, ARmark.
TTA-Trace, Track and Authenticate System for the food industry. This interesting presentation will discuss technology that will allow food products to be traced and authenticated from farm to table. Use of covert markers are used to verify product authenticity and be viewed in a geospatial environment. Located in Central PA, it is the only technology of its kind--"technology limited only by your imagination."
